

## 2.2. ADULT UNIFORMS / DRESS

### Overview

1. When Scout units choose a type of Adult Uniform/Dress for an event, it must take account of safety considerations arising from weather conditions, the nature of the event and the site at which the event is to be held, etc.
2. Scout units should notify the participating members before the event of the required Uniform/Dress.
3. Adult Members should follow instructions and wear proper Uniform/Dress and also correctly wear all compliant Clothing Items, Insignia and Badges and any conferred Decorations and Awards. Clothing Items should correspond to each member's role or rank at that occasion or event.
